key. Improve offender rehabilitation rates. But they show that in the private law context states have engaged with the principles and problems of potentially overlapping international jurisdiction in a more sophisticated and nuanced way than is generally seen in the context of public international law. The radar picture told a story of a massive aircraft carrier moving astern at a high rate of speed, but the mental picture of the bridge personnel on the Leyte - who did not know that such a maneuver was going to happen - disregarded what their system was telling them, and they
