**Organizational Synergy - A Practical Guide: Recalibrate Interactions to achieve Peak engagement, productivity & Profit**  
I'm in awe of Maggi's talent as a storyteller. It seems unworthy of a man with any character.

**Oliver Wendell Holmes (from Literary Friends and Acquaintance)**  
The conflict itself is a delicious mess of personal and political badness. Whether or not an exercise of jurisdiction in the international sense is permitted or compelled by national rules of private international law, the question which generally concerns domestic courts, must of course be carefully distinguished from the question of whether such an exercise of jurisdiction is permitted as a matter of international law.
